

BOMBAY IRANI. BOMBAY CAFÉ. BOMBAY BAR.

Hustling-bustling since 2013

People have written poetry, literature, screenplays and Bollywood item numbers about Bombay. Maybe it is time for a drinking song?

“Rolling down Marine Drive with a lowball in our hands, Drink up, free your minds, and loosen up your pants.

There’s Chowpatty Beach comin’ up to the left, and Bachelorr’s on the right. Hey! Hey! Let’s switch to highballs, and keep drinking with all our might.

Sev puri soaks up liquor, Vada pao is our friend, Let’s take a kali peeli ride till the road ends.

Are we there yet? The sun’s coming up now, Bottoms up, darlings, let us show you how!”

HIGHBALLS

A boozy booze tour around the city

Crawford Crawl 575
Nice with spice! Featuring an aromatic roasted cumin-infused brandy; balanced with acid, salt and ginger ale.

Hanging Garden & Lemongrass575
Fat-washed edible coconut oil and curryleaf with aged rum, in-house lemongrass cordial, citrus, salt and soda. It won’t leave you hanging.

Spiked Chowpatty 575
Coriander seeds-infused vodka with in-house cola and basil garlic salt. If you close your eyes and take a sip, you might just smell the sea.

Matunga Unfiltered 575
A very SBOW twist on the classic highball, Inspired by Matunga’s many coffeehouses this wake-up-and-smell-the-coffee number sports an americano, vermouth, in-house orange and Aperol; topped with soda.

LOWBALLS

Get a little high, get a little low.

Parsi Dairy 575
Chef Irfan’s favourite! A not-so-serious White Russian with in-house cream washed vodka and coffee foam. Rumour has it he has it for dessert.

Horniman Full Circle 575
A twist on a classic Old Fashioned. Scotch whisky infused with orange and cinnamon; stirred with orange bitters.

Walkeshwar Vegan 575
A sour-style drink with in-house pomegranate and rose cordial, gin and vegan foam. You’ll want to tell everyone about it.

Herbal Baug 575
In-house basil and cucumber cordial mingle with dry of Chardonnay wine, gin and salt in this green number. All that’s missing is an Ambassador.

Cutting Chai (Serves 2) 675
A spiked version of tapri chai, this cocktail has sweet, yet bitter flavours of in-house tea cordial, citrus, sweet vermouth, Aperol and dark rum.
